

Appointee Guidelines

1. All appointees must be BRB members in good standing, dues paid in full.
2. Appointees are to be assistants to the board for a specific need and do not require a vote from the at large membership.
3. After reasonable discussion appointees must be nominated and seconded by BRB board members and approved by a majority of the five officers.
4. All appointments shall be reviewed annually - after January elections and by the February meeting. The decision to retain or remove an appointee will be made during that time frame. Discussion and voting may be conducted in any manner the board sees fit, including email, conference call or the February club meeting.
5. Appointees may be summarily dismissed for any reason, at any time, by a majority vote of the 5 sitting officers.

*Please remember that the guidelines are for official board use only, not the at large membership and as such, all of the guidelines can be amended or adjusted by the board at any time.
